TRAINING + SOLUTIONS

Nail That Interview Every Time!

Interactive Training Solutions' **POWER Interviewing** is the workshop that empowers professionals, from experienced to entry level, with the skills to present dynamic and impactful interviews, designed to leave a great impression and to influence decision makers.

POWER Interviewing, the highly engaging and innovative workshop, features comprehensive instruction in employing Interactive's unique and dynamic interviewing skill builders to develop and deliver incredible interviewing skills, while presenting yourself in a confident and authentic manner. As part of this interactive program, participants will incorporate Interactive's powerful interviewing methodology to bolster and refine their skills to help them nail their interviews every time.

The session concludes with a question and answer segment with the facilitator, where participants can further refine their own style and get pointers for their interviewing skills.

POWER Interviewing benefits:

- ! **Preparing for Your Interview**
- ! **Boosting Your Confidence**
- ! **Making a Great First Impression**
- ! **Managing the Interview**
- ! **Maximizing Your Success Rate**
